The Marble Bar Youth Camp 2014 consisted of Marble Bar Recreation Officer Richard Smith and CRC Co-ordinator Kim Mackay taking four youth from the town of Marble Bar on a two night camping trip at Carawine Gorge.

The camp went very well and the youth enjoyed themselves immensely. They tried some edible plants of the region and spent the nights learning about the different stars. The youth learnt many valuable talents on the camp including how to set up a swag, how to season a camp oven and how to cook on the open fire. The rest of the time they spent swimming, fishing and chatting away about life and different things they find funny.

In the words of Chaddron Kiernan (a participant of the camp), "It was a good camp that Dylan, Trekyle, Cornell and I had a lot of fun on, we had fish for lunch and I think that was the best camp that I have been on with different people."

In the last month the SOEP has enabled the Marble Bar youth to experience an art workshop with SOEP Artist in Residence Hannah Quinlivan, a Japanese Day, a two day music workshop with Tom Fisher and the Layabouts & the Bridget Turner Duo, film nights on the Civic Centre lawn and a Buzz Dance Theatre workshop based on the children’s book ‘Giraffes Can’t Dance’ by Giles Andreae.
**Recipes of the month**

**Pumpkin & Apple Soup**

**Ingredients**
- 3 teaspoons olive oil
- 1 onion, diced
- 3 cloves garlic, crushed
- 1 tablespoon minced fresh ginger
- 750g butternut pumpkin, peeled and thinly sliced
- 500g green apples, peeled and thinly sliced
- 2 teaspoons fresh thyme leaves
- 1½ teaspoons chilli powder
- Salt
- 3 cups chicken stock
- 1 tablespoon fresh thyme leaves, chopped

**Method**
Heat the oil in a large saucepan over moderate heat. Add the onion, garlic and ginger, and cook for 5 minutes or until the onion is soft. Add the pumpkin and cook for a further 5 minutes or until crisp-tender.

Add the apples, thyme leaves, chilli powder and salt to taste, stirring to coat. Add the stock and 1½ cups water, and bring to the boil. Reduce to a simmer, partially cover, then cook for 30 minutes or until the pumpkin is very tender. Transfer to a food processor and purée. If necessary, gently reheat. Serve sprinkled with fresh thyme.

**Jelly Cheesecake**

**Ingredients**
- 1 pkt (90g) lemonade jelly crystals
- 1.5L (6 cups) boiling water
- 1 pkt (90g) creaming soda jelly crystals
- 1 pkt (90g) lemon jelly crystals
- 300g shredded wheat biscuits
- 150g butter, melted
- 500g cream cheese, at room temperature
- 395g can sweetened condensed milk
- 60ml (1/4 cup) boiling water, extra
- 3 tsp powdered gelatine

**Method**
Place lemonade jelly crystals in a heatproof jug. Pour over 500ml (2 cups) of the boiling water and stir until jelly dissolves. Transfer to a small plastic container. Repeat with remaining jelly crystals and remaining water. Place in the fridge for 8 hours or overnight to set.

Grease base and side of a 20cm (base measurement) round springform pan and line with baking paper. Process biscuits in a food processor until finely crushed. Add butter and process to combine. Use a straight-sided glass to press mixture firmly over base and side of pan. Place in the fridge for 30 minutes to chill.

Process the cream cheese and condensed milk in a clean food processor until smooth. Place the extra boiling water in a heatproof bowl and sprinkle with the gelatin. Stir until gelatin dissolves. Add to the cream cheese mixture and process until well combined.

Transfer jelly to a clean work surface. Cut into 2cm cubes. Arrange one-quarter of the jelly over the biscuit base. Pour over one-third of the cream cheese mixture. Continue layering with remaining jelly and cream cheese mixture. Arrange remaining jelly over the top. Place in the fridge for 6 hours to set.

**Happy Birthday to Kim Mackay**

From all of the Marble Bar Mob.

CAN YOU HELP?

Please take the time to read this

Many of the groups and associations in our community are made up of VOLUNTEERS. With a town with such a small population it is hard, but possible to better our community.

With people leaving, aging, or just wearing themselves out - it is vital to the sustainability of our existing volunteer groups to gain new members. If you have ANY time spare and would like to volunteer to help and are unsure of what group or how you could help, contact the Community Resource Centre on (08) 91761375 or stop in for a chat – we can point you in the right direction.

Some examples of volunteer organisations in Marble Bar are – Marble Bar Progress Association, Marble Bar CRC, Marble Bar Volunteer Emergency Service, Marble Bar Race Club, and Marble Bar Tourist Association.

Definition of Volunteering

Volunteering is an activity which takes place in organisations, communities or projects and is undertaken:

• to be of benefit to the community and the volunteer;
• of the volunteer’s own free will and without coercion;
• for no financial payment; and
• In designated volunteer positions only.

Principles of Volunteering

• Volunteering benefits the community and the volunteer.
• Volunteer work is unpaid.
• Volunteering is always a matter of choice.
• Volunteering is not compulsorily undertaken to receive pensions or government allowances.
• Volunteering is a legitimate way in which people can participate in the activities of their community.
• Volunteering is a vehicle for individuals or groups to address human, environmental and social needs.
• Volunteering respects the rights, dignity and culture of others.
• Volunteering promotes human rights and equality.

REWARD YOURSELF WITH THE SATISFACTION OF GIVING

Proudly produced by the Marble Bar and Nullagine Community Resource Centre
WILD DOG AERIAL BAITING

The Pilbara Regional Biosecurity Group advises residents and travellers in the Pilbara region that an aerial baiting program for wild dog control will be carried out by pastoralists during September 2014.

Pastoralists undertake baiting on their leases to protect livestock from wild dog attacks.

To avoid risk of poisoning, residents and travellers should not take their domestic pets on pastoral leases or adjacent crown land. It is imperative to consult with pastoralists prior to entering their lease.

The poison used is 1080. While this poison is extremely toxic to introduced species, native fauna in Western Australia have a tolerance to 1080 as it occurs naturally in the environment. Unfortunately, there is no antidote for 1080 if poisoning does occur.

The poison baits will remain toxic for several months or until substantial rainfall is received.

For further information on this program please contact Andrew Longbottom at the Department of Agriculture and Food on (08) 91437000 or email andrew.longbottom@agric.wa.gov.au.

Marble Bar Airport was a hive of activity last weekend (26th-28th September) as The Department of Agriculture & Foods Andrew Longbottom oversaw the Pilbara Regional Biosecurity Groups Wild Dog Aerial Baiting Program for this area. Andrew has assured us that no baits have been distributed within 5kms of any town or community site or within 3kms of any recognised camping ground. A recognised camping ground is classed as a gazetted sign posted camping ground for example; Des Streckerfuss is a recognised camping ground (all signage in place) where as Doleena Gorge is a popular tourist spot but is not a recognised camping ground.

While the Regional Biosecurity Group travel around, they are also on the lookout for any declared plants, weeds or pests that are a risk to WA. For further information go to www.agric.wa.gov.au and click on Pests, Weeds and Diseases.

Andrew will return to Marble Bar in the near future and is happy to have a chat with local gardeners. The Marble Bar Community Garden Club is looking forward to his next visit and to have the opportunity to share any information that will be advantageous to the gardening project.
GENERAL STORE

In the General store we've got just about everything you will need on your holiday. Competitively priced diesel and unleaded petrol, ATM, hot bistro style meals, groceries, meat, fish, fresh fruit and veg, souvenirs, fishing tackle, ice cold drinks, ice creams and confectionery. Takeaway coffee and foods. This is a good place to ask directions, get advice about the area and area attractions. We have good supply of automotive and hardware, new mobile phones and Telstra recharge credits.

NULLAGINE HOTEL & ACCOMMODATION

The Nullagine hotel offers 55 comfortable guest rooms with a variety of bedding configurations that can accommodate families, doubles and twins. Open 7 days a week the Nullagine Hotel & Bistro provides a warm, casual, rustic atmosphere complete with beer garden, pool table and television and juke box. Bistro style meals served for lunch and dinner. The Bar provides a wide selection of beverages and is the perfect place to enjoy a social drink.

EMERGENCIES 000
On Friday the 12th of September a Blue Light Disco was held at the Civic Centre.

It was the first Disco held in 2014 and was free entry. Ash Bamford pumped out the tunes and the kids (and some of the adults) danced the night away. Prizes for Limbo, Musical Bobs and Best Dancer were awarded on the night but my personal favourite was the brutal game of Musical Chairs.

Without volunteers, events such as the Blue Light Disco are difficult to make happen and with the help of parents and the community we hope to hold more, offer refreshments and create a fun and safe environment for the benefit of the children.

**SHIRE NEWS**

**Tidy Town Awards**
Congratulations to Marble Bar for winning the ‘Community Action and Partnerships’ category of the Tidy Town’s competition. Marble Bar has had a noticeable shift in Community engagement and interaction – manifesting in a more co-operative approach in the planning, development and completion of significant projects. If you would like to read the judges report, a copy is available from the Shire Office.

**Bulk Rubbish Collections**
Council will be conducting the annual bulk rubbish clean-up in Marble Bar from Monday 3rd November 2014 to Friday 7th November 2014 inclusive. All household rubbish and green-waste is to be neatly stacked on the front verge for collection prior to the commencement of the pickups on the 3rd of November. Please don’t place any items for collection on verge before the 31st of October. Late items and car bodies will not be collected. Council urges householders to utilise this service to remove unwanted loose items, and prepare for the upcoming Cyclone season. The shire would also like to remind that the bi-weekly rubbish collections commence on Friday, October 3rd 2014.

**Mosquito Management Plan**
Town wide mosquito treatment and inspection of septic tanks will be conducted this month on Thursday 23rd October. All residents are being requested to allow access to mosquito control teams to treat and inspect tanks on their premises. Those residences, whose tanks are found defective, will be asked to take measures to get them repaired to eliminate these breeding sources. To assist the shire in this exercise, residents are encouraged to lodge any mosquito complaints by visiting the Shire’s website, or contacting the Marble Bar Shire office on (08) 9176 1008.

**Dog Registrations**
All dog and cat registrations are due for renewal in October. All dogs and cats are required to be registered, and or micro-chipped and sterilised, unless permits have been issued in special circumstances. Please contact the Shire office on 08 9176 1008 if you would like more information.

**The Future Direction of Shire Event Planning in Newman**
The Shire President Lynne Craigie invites you to come and have your say about events in the Shire and obtain information about how to run a successful and safe event at a Public Even Forum on Monday, 13th October 2014 from 6:30pm to 8:00pm at the Boomerang Sports Pavilion. Light refreshments will be served. Please contact Marilou Espiritu on (08) 9177 8075 or email cwao@easpilbara.wa.gov.au to RSVP.
